Bangladesh Project

- About one million Rohingya people live in Cox's Bazar, Bangladesh–Myanmar border. Seventy percent of them escaped from the Rohingya genocide in August 2017.
- We provided 100,000 gas burners to the Rohingya people in collaboration with the World Food Program (WFP). This helped women and children who went far to find firewood.

Emergency Relief

- Researched the required standard of gas burners in Bangladesh and provided fire safety education to refugees.
- Produced 100,000 gas burners with inspection

Delivery ceremony in January 2019

- Guests included Jo In-sung (actor) and Noh Hee Kyung (writer), who have been interested in the work of JTS

- Received a thank-you letter from the WFP
- The gas burners have been distributed to the refugees by the WFP and the International Organization for Migration (IOM)

Emergency Relief

To 16 villages in Palu and Donggala

- 50 volunteers participated locally
- Provided 75 tons of rice to 3000 households (25kg per household)
- Provided 1000 tents and 3000 blankets
- Provided 3000 sets of cookware (16 kinds)
- Provided 3200 t-shirts

T-shirts included supporting messages, "PALU KUAT" and "PALU BANGKIT", which mean "Hang in there Palu" and "Rise up Palu" in Indonesian.

Supporting for construction

- Provided 40 temporary houses in the town of Buddhists in Lombok.

Indonesia Project

- A deadly earthquake struck Indonesia's Lombok island in August 2018 and after a month, a massive earthquake hit the Sulawesi province. As a tsunami followed, many people lost their property, and tremendous number of houses and buildings were damaged or destroyed.
- We provided emergency relief in Indonesia through supporting building houses in Lombok and providing supplies in Palu.
